

An Introduction to Fredericksburg Area Council on Transition's **TRANSITION GUIDE**

a guide for life after high school for individuals with disabilities

September 26

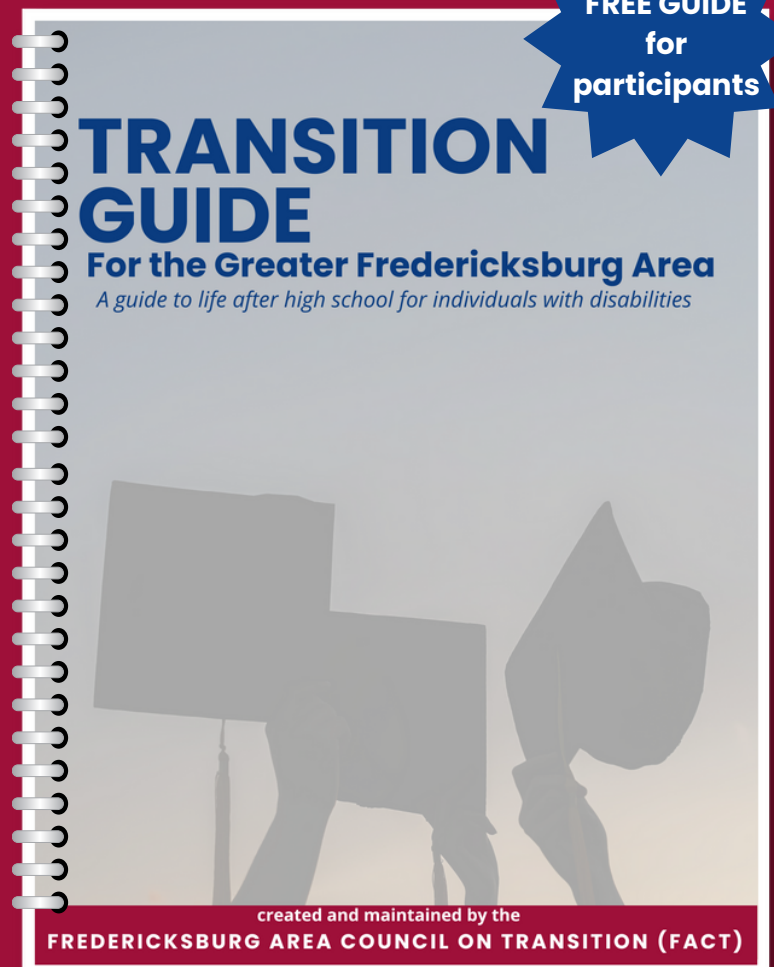

6:30–7:30pm

disAbility Resource Center

409 Progress Street Fredericksburg, VA 22401

Don't wait until termination of school services before learning about the valuable local community agencies that individuals can access to continue providing the support and services they need as they move into adulthood. During this session, we will share information on post-secondary pathways, employment opportunities, independent living, and more! All participants will receive a free copy of this guide.
